RAIDS FAIL TO FIND WET BACKS IN AREA

For the time being at last this region is free of "wet backs."

Two officers of the border patrol, assisted by Deputies Roy Waters and Emery Lander Saturday made an intensive search of the region and failed to find one illegal entrant from Mexico. This marks the first time that the raids have been conducted in which not a single "wet back" was found.

Grass Valley Man Will Seek County Position

Denis A. Christin, a teacher in the senior high school at Grass Valley for the past 22 years, with the exception of time out for military service and post graduate work, has made application for appointment to the post of county superintendent of schools to replace Melville John, resigned.

Minimum Meeting Held

A meeting of the Truckee Rotary Club was held Monday at Donner Lake Lodge with a minimum attendance due to the fact that many attended the barbecue held in Reno. Visitors included William Miller, Auburn; Tom Ward, Antioch; Norm Bailiff, Fair Oaks and Cliff Anderson and Bob Wray of Tahoe. There will be no meeting next Monday due to the holiday.

New Ranger Gets Truckee Post To Replace Ed Grant

Supervisor L. A. (Gus) Rickel of the Tahoe National Forest announced today the assignment of Ranger Roy W. Saarni to the position of district ranger, Truckee Ranger District. Saarni moves from Inyo where he has been serving as ranger of the Mt. Whitney District with headquarters at Lone Pine.

Saarni replaces Ed Grant, who recently transferred to a position set up to aid the U. S. Air Force, Stead Air Force Base, in their survival training program for airman forced down in hostile country.

The new Truckee ranger is well experienced in all phases of forest service work, Rickel advises. He has nearly twenty years of forest service employment and specialized for a time in range management activities. Prior to World War II, he did extensive work on the cattle and sheep ranges of the Truckee-Sierraville area. He has had a variety of assignments in the California region.

Saarni is married and has four children, two boys and two girls, three of them of school age. The family will reside at the home provided at the forest service station here.

The new ranger will assume his duties here on September 9.

Further Delay For Opening Bay Road

Another month or two will be required to open the road at Emerald Bay—if it is opened at all this year.

This was indicated by the division of highways this week when it was learned that crews have sheared away about 450 feet of the 650-foot deep slide of boulders, earth and trees blocking State Route 89.

Blair Geddes, traffic engineer for the division's Marysville office, said that work is progressing slowly on the project because of the precarious working conditions there.

The division is using five bulldozers, a compressor for six jack hammers, a lighting plant and a crew of 12 men, using the hammers to drill and blast the boulders. The engineer said drilling goes on all night and boulders are blasted each day at 6 a.m. and 3 p.m. One tractor works all night and all five work during the day.

The work crew has cleared about 400,000 cubic yards of the material which sealed off the road for a 300-foot stretch during rain storms last December.

"We are not in a position to even guess when the job might be finished," Geddes said. "We had hopes of having it done by now. It might be over another month or two, depending on how it rolls."

The engineer said the equipment is on precarious footing. "They aren't just bulldozing it into it because the material might sluff off from under them at any time. If you get back far enough to see the whole slide the tractors look like ants crawling on a wall," he added.

Mrs. Lorrin Ferdinand Honored At Party Here

Mrs. Lorrin Ferdinand was feted at an al fresco supper at the home of Mr. and Mrs. Robert Leamon on Thursday evening, with Mrs. Kay Baker as co-hostess of the affair.

The guest of honor was presented with a shower of gifts by her friends and cards were a later diversion of the evening.

District Babies Are Born At Hospitals In Reno

Mr. and Mrs. Matias Espinoza of Floriston became the parents of a son August 2 at Reno.

Another arrival of local interest is the son who arrived August 6 for Mr. and Mrs. John Sabini, Reno residents.

Mr. and Mrs. Gene Empey of Zephyr Cove, Lake Tahoe also welcomed a son on August 17 in Reno.

Here For Visit—

Mrs. Karl Jansson of Nevada City and her five children were visitors with Mr. and Mrs. Dan Redmond during the weekend.

Airport Survey Is Complete; Funds Sought From CAA

Survey Indicates Cost Will Be Near \$400,000 For Airport

McGuire and Sons of Nevada City have completed the survey for the proposed Truckee airport and an application has gone to the Civil Aeronautics Authority at Los Angeles for approval and federal assistance for the construction.

Supervisor H. G. Loehr, who secured the necessary appropriation from the County of Nevada for the survey, said the cost of providing an adequate port has been estimated at just under \$400,000.

This would provide a strip 150 feet wide and 7,000 feet long and would amply accommodate planes of the DC-3 type.

The cost estimated would include leveling, laying of the concrete strip, draining and other necessary work to make the port operative. It would not include hangars or administration buildings and other necessary facilities, nor will it include cost of 240 acres of land.

The survey shows all of the needed land to be in Nevada County. However, it will be necessary to obtain rights of way in Placer County and considerable air right of way.

Government Aid

The cost of the project, if approved by the CAA, would be shared by either a service area to be established in the affected district or the county, with the federal government standing the heaviest share, or approximately 53 per cent.

No successor to Everett V. O'Rourke, chairman of the joint airport committee which is sponsoring the project, has been named, but action by that organization is expected in the near future to determine what course shall be followed in the program now well under way. Questionnaires sent out by the committee recently revealed a desire on the part of the people of the region to proceed with the airport plans. Strong support has also been given by the state aeronautics board and others interested in the future development of the region.

Given Approval

CAA officials from Los Angeles have inspected the proposed site just south of Truckee adjoining the Brockway cutoff and have pronounced it excellent. This same rating, only more emphatically followed through, has been given by the state board officials.

The application for federal assistance must be in by September 1 in order to get action during the coming fiscal year.

Daughter Arrives Here For Sacramento Couple

Abbie Louise Sicaud, weighing seven pounds, five ounces, arrived at the Tahoe Forest Hospital Friday at 5:07 a.m. She is the daughter of Mr. and Mrs. Granville Sicaud of Sacramento who had been vacationing in this area. Dr. L. D. Nelson was the attending physician.

Concrete Being Poured At New Phone Building

Work is progressing on the new telephone company building at Tahoe City which is expected to be completed early this fall. The concrete structure will be one of the most substantial buildings in the area and the concrete—more than 600 yards—is being supplied and poured by the Deer Park Ready Mix. Jerry Waters of the Ready Mix concern invites inspection of the type of material being used.

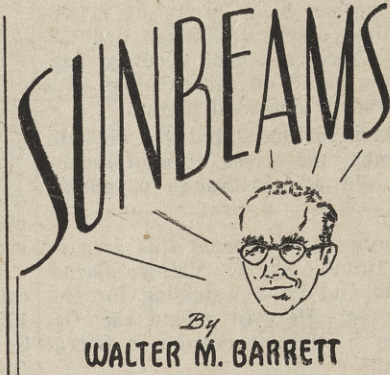

Mother Ill—

Mr. and Mrs. Lorrin Ferdinand returned last week from Sacramento where they visited his ill mother.

Learn Of Death—

Donner Summit friends of Paul Prom, Sacramento builder, learned of his recent death which occurred in Rochester, Minn.

Mr. and Mrs. Richard Yeakel welcomed her parents, Mr. and Mrs. George Coza from Holyoke, Mass., the house guests thoroughly enjoying this part of the country.

By WALTER M. BARRETT

We can think of no reason why the Tahoe Truckee Unified School District should be required to become a part of a Placer County junior college district and we can think of a dozen reasons why it should not. In the first place there are scores of good colleges in the state which are open to students from this district and which are preferred. Naturally the district would be required to finance tuition costs, but this certainly would not involve an expense to the taxpayer anywhere near the \$6.6 cents per \$100 assessed valuation estimated for the Placer deal. The cost of operating the district should be borne by those benefiting. Both Nevada County and El Dorado County have shied away from a proposal they be included in the program, and for good reasons. It has been estimated that the Tahoe Truckee District would pay one-fifth the cost of the college and would provide only one twenty-fifth of the students. Such a ratio is entirely out of line with sound government. The district will, of course, be given an opportunity to ballot on the proposal, but the results will be determined by the majority vote and not on a component basis, with areas in Auburn and Roseville having the heaviest vote. Local school officials are strongly opposing inclusion of this district in the proposed college district and there is a possibility that they may find some means of avoiding this unnecessary taxation. We sincerely hope they will.

JUNIOR BASEBALL IS RECESSED FOR YEAR

The approach of the opening day for school has halted activities of the Junior and Pony Baseball Leagues for this summer, but practice and games will be resumed again next year with accelerated action.

Dave Morey, manager of the junior group said he hopes to have uniforms for the younger boys next year and will schedule games for the season. Al Cavallo, who has managed the pony boys, also has a busy season planned for his group.

Both expressed appreciation for the fine support of parents and friends of the boys during the organization year.

BENEFIT DINNER FOR FIREMEN PLANNED

KINGS BEACH—In appreciation for the work done by the North Tahoe Fire Control in Sunday's fire, Cal-Neva Lodge is staging a benefit dinner, featuring the Pearl Bailey show at the lodge Monday, September 3, all proceeds to go toward the purchase of a water supply truck. The truck was not included in the budget and is not applicable to fire control dues.

Tickets are available from members or may be purchased at the lodge.

Everyone is invited and a good time is promised. The dinner starts at 10 p.m.

DRIVE CONTINUES FOR SALVATION ARMY

Letters are in the mail and personal contacts are combining to call attention in this region to the current fund drive for the Salvation Army, according to J. D. Herbert, area representative.

During last year's floods in California tons of bedding, clothing, food were conveyed to the communities where such emergency supplies were required, in keeping with the usual work of the Salvation Army, illustrating only one instance of the effective help given by the organization, Herbert declared.

Checks or cash may be given or sent to Bruno Bellotti in the Bank of America or to N. F. Dolley, local chairman.

Mrs. Winifred Kamp and Mrs. Eugene Ridsen have been added to the local committee to supervise the Army collections.

Cal-Neva Lodge Is Saved From Fire As Loss Recorded

Fire Department Credited In Saving Big Resort At Tahoe

CRYSTAL BAY—The work of the Kings Beach Fire Department, augmented by crews from Tahoe City, the U. S. Forest Service and scores of others from all parts of the lake, was credited with saving more than a million dollars worth of valuable property here Sunday when a fire destroyed \$50,000 worth of buildings before being controlled.

For a time the swank Cal-Neva Club was threatened as the flames roared through a number of small cottages. A shift in the wind coupled with the work of the firemen saved most of the Cal-Neva property although one or two guest houses were destroyed and others damaged.

The fire control crews pumped water from the Cal-Neva pool as fast as the Brockway Water Company could pump it in and a good supply of water was generally available.

The blaze is believed to have started from an unknown cause at the home of Mrs. Blanche Porter of Oakland where the two-story guest house and a number of smaller cottages at the summer resort owned by Mrs. Porter were burned.

A sizable brush fire resulted and a number of spot fires were extinguished as the firemen battled furiously throughout the afternoon. The fire started at 2:30 p.m. and burned until after 4.

The loss estimated did not include valuable and beautiful trees which fell victim to the fire.

Members of the Kings Beach department expressed their appreciation for the valuable assistance given by the Tahoe City department and others who came to the scene.

The fire once again exemplified the value to the community of its modern fire equipment and hard-working firemen.

Suspects Are Arrested By Truckee Officers

Local officers during the past week arrested five suspects, including a 14-year-old Sunnyside boy charged with auto theft and driving a car across a state line who has been turned over to the U. S. marshal.

Other arrests included Harold J. Moore, 41, Port Huene, charged with car theft; Daniel Powell, 52, sentenced to pay a \$50 fine or serve 10 days on a drunk charge; Clark Felgar, Soda Springs, was given the same sentence as was James McMurray of San Francisco.

The arrests were made by deputy sheriff and officers of the highway patrol.

Dancer Will Entertain At Meet Of Wyethia

The next meeting of the Wyethia Women's Club will be held at the clubhouse at 8 p.m. Thursday, September 6. Guest entertainer will be Renee Hall, a dancer.

Members may bring guests. Any young people interested in dancing and who would like to see Renee, are invited to come. Refreshments will be served at the close of the program.

Mrs. Ray McCarty will preside at the business session.

Chamber President Gives Official Welcome To Son

An official welcome from the president of the Truckee Chamber of Commerce, Hal Welch was extended to his son, born August 28 at Tahoe Forest Hospital.

The lad, not immediately named, weighed in at seven pounds, 13 ounces. The attending physician was Dr. L. D. Nelson. Mother and son are doing well.

O. E. S. Meets Resume

The Order of Eastern Star will reconvene September 4th with the bi-monthly meetings following the summer recess. Helen Ellis will be program chairman for the evening, with the theme being back to school. All members and visiting Eastern Star members are invited to attend.

High School Will Open Grid Season On September 14

The Tahoe Truckee Wolverines officially opened their 1956 football season Monday night as 27 candidates received their physical examinations under the supervision of Dr. Prescott, Dr. Robert Affeldt and Dr. Ben King.

Stan Drakulich, head coach, and his assistant, Dan Holub, had been holding informal daily workouts for a week prior to Monday's physical examination session, with heavy drill and contact work scheduled for next week following the issuance of equipment and opening of school on September 4th.

The Wolverines, winners in four out of eight games last season, hope to improve the record this year as they open the 1956 grid schedule on September 14th when they travel to Gardnerville to take on the Douglas Tigers in a 7:30 night conference tilt.

The remainder of the schedule follows: Sept. 22: open; Sept. 29: Winnemucca, home game, 2 p.m.; Oct. 6: Carson City, home game, 2 p.m.; Oct. 13: Manogue, away, 2 p.m.; Oct. 20: Lovelock, away, 7:30 p.m.; Oct. 27: Stewart, home game, 2 p.m.; Nov. 3: South Tahoe, away, 2 p.m.; Nov. 10: Loyalton, home game, 2 p.m.

North Tahoe Will Talk Fire District

KINGS BEACH—A meeting of urgent importance to everyone in the vicinity, including residents of North Lake Tahoe in Nevada, will be held Wednesday, September 5 at 8 p.m. in Carpenters Hall at Kings Beach for a discussion of the proposed legalized fire district.

Principal speaker on the occasion will be Fred E. Kaiser, engineer for the Pacific Coast Underwriters from San Francisco, who will enlarge upon the benefits and advantages of a district. Max Burroughs, chairman of the board of the North Tahoe Fire Control, Inc., announced.

Nelson Stone of the U. S. Forest Service and a representative from the office of the district attorney and others familiar with the proposed program, will be on hand to speak and answer questions.

In the meantime, petitions are being prepared for circulation asking for the formation of a fire district to replace the present incorporated control. Proponents of the district point to the fact that it would provide equal costs, according to assessed valuations, and thus not work a hardship upon those who are now financing the entire setup through memberships and contributions.

Everyone interested in the future welfare of the community is urged to attend.

Alfred Latta Of Truckee Expires At Nevada City

Illness since August 18 claimed the life of Alfred Homer Latta of Truckee Thursday in Nevada County Hospital. Latta was only 46 years of age.

A native of Battle Creek, Mich., he was born June 26, 1910. He was a plumber by trade.

Funeral arrangements were awaiting word from his aunt, Mrs. H. B. Childs of Mountain View, Calif., who survives him.

Rebuilding Starts Soon On Squaw Valley Ski Resort

\$300,000 Fire Wipes Out Main Building At Squaw Valley

Work is expected to start early next week on rebuilding the Squaw Valley Lodge, completely destroyed by a fire Wednesday afternoon.

Alex Cushing, manager of the Squaw Valley Development Corporation, who estimated the loss at near \$300,000, said the rebuilding will be complete for the annual winter opening for the winter sports season. He added that the loss of the building would in no way affect the staging of the 1960 Winter Olympic games there.

The fire started at 2 p.m. in a room over the kitchen of the three-story frame structure and within an hour there remained only smoldering ruins of the once swank resort. None of the nearby installations were damaged, as the firemen from Truckee, Tahoe City, Kings Beach and the Tahoe National Forest suppression crews responded to the alarm.

Cushing said the loss was fully covered by insurance.

Approximately 50 people were in the lodge at the time of the fire but no one was injured. A number of cars parked near the lodge while their owners enjoyed the lift ride to Squaw Peak were removed to safety after firemen were forced to break windows to move them.

A gift shop and drug store at one end of the long, slope roofed building were partially saved by the combined efforts of the fire departments.

LYNETTE YOUNG IS HURT IN ACCIDENT

Miss Lynette Young is in Tahoe Truckee Hospital with undetermined injuries following an automobile accident early Sunday morning at Lovelock, Nev., where she had been visiting her father.

The car was reported to have been driven by Stanley Martin, Jr., a former Lake Tahoe resident and details of the accident were not learned.

Miss Young was taken to the hospital at Lovelock and transferred to the local hospital where her mother, Mrs. Esther Young is employed.

MEMORIAL PLANNED FOR REUBEN WELCH

KINGS BEACH—A fitting memorial for the late Reuben (Rube) Welch, veteran local plumbing contractor, who expired recently following an extended illness, is being arranged for by friends in the North Tahoe Fire Control of which Welch was a board member and treasurer since its organization.

Mrs. Frances Revell Wallace of Crystal Bay has been commissioned by the fire department, at her request, to have charge of collections for the memorial fund and anyone who knew Welch and knew of his life-long work for the community, may make contributions to Mrs. Wallace.

Later on, the control officers will meet with Audrey and Marilyn Welch, daughters of the deceased to discuss the most fitting memorial.

William Louis Apple Is Born At Local Hospital

William Louis Apple made his appearance at Tahoe Forest Hospital on Wednesday morning, welcoming his parents, Mr. and Mrs. Lee Apple of Truckee.

The boy, named for Louis J. Apple of Berkeley and the late William McNeil of Bellingham, Wash., weighed a husky 7 pounds 15 ounces. Dr. Ben King was the attending physician.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

The correspondent on this column being too ill this week to take care of the regular correspondence, her substitute will do as much toward it as time will allow.

Slight Error

To correct a slight mistake (not made by the correspondent) in the second items of last week's column—it was correctly "Mr. and Mrs. Robert Watson" who "spent the past winter in their new home at Gold Hill," not Mr. and Mrs. Bert Watson as stated in said item. Bert was Robert's older brother who passed away two or three years ago.

Excavation

Excavation got under way on Friday, under management of con-

tractors for the Pacific Telephone and Telegraph Company, for underground cable lines, along the block to the main highway from the new building, and for some distance north and south along the highway. Savage and Sons of Reno, who have the plumbing and heating contract, completed the work for the sewer connection on Friday.

Rotary Club

On Tuesday, August 21 the regular luncheon meeting of the Tahoe City Rotary was held at Tahoe Inn with President Steve Korich presiding. There were 44 visiting Rotarians present, which almost doubled the number of local members present which was 23. Barron Moss, a visitor from an Illinois club, supplied the entertainment with piano selections, assisted by the Rotarians who rendered various numbers in song.

Hugh Brown of Grass Valley was reported to have been a patient at Tahoe Forest Hospital last week.

McKINNEY BAY ASSN. SEEKS IMPROVEMENT

TAHOE CITY—On the afternoon of August 19, a meeting of the McKinney Bay Improvement Association Inc. was held at the Tahoma home of the president, Dr. Victor Brochard, and the following matters were discussed or acted on:

Temporarily elected officers and directors were permanently elected for one year; by-laws were discussed and adopted, and eligibility for membership was discussed and agreed upon. It was also agreed that anyone interested in the orderly development of Lake Tahoe would be eligible to apply for membership in the association.

A discussion of highway traffic, especially in the Tahoma vicinity, was introduced by Mrs. J. L. Murphy, a director. Mrs. Murphy said that since many people use the highway as a pedestrian walk in summer, and must cross it in order to reach the post office and

shopping center, the present speed limit of 35 miles per hour appears to be excessive, and that the area is in need of better patrol.

A motion was adopted that proper state authorities be requested to reduce the speed limits here to 25 miles per hour, and place 'slow' signs at cross walks as well as to provide more highway patrol. Property owners interested in having these amendments made should write the proper authorities. For road signs—Division of Highways, attention of Mr. Trask or Mr. Geddes, District 3, P. O. Box 911, Marysville, Calif. For more highway patrol—write Hon. Francis C. Lindsay, 6th District Assemblyman, P. O. Box 463, Loomis, Calif.

President Brochard announced that Mrs. M. W. Salter, planning director of Placer County, has been invited to meet with the Improvement Association. Dr. Brochard felt that in such a meeting the wishes of property owners of the district could best be made known

Benefit Barbecue Held By Squaw-Tahoe Skiers

SQUAW VALLEY—Despite a thunderstorm at 3:30 p.m. the barbecue sponsored by the Squaw Valley-Lake Tahoe Ski Club as a benefit here recently proved to be a huge success and a substantial sum was added to the club's treasury for the unior skier's fund. Mrs. Blanche Donaldson reported. The club extended sincere thanks to the many who contributed to the success of the affair including Curran Distributing, Pureta, Ric Gianini, Fred Pedley, Leonard Bury, Home Bakery, Borden's, Chism, Truckee Coca Cola Bottling, Joe Saia, Levi-Zentner, Farmer Bros., Redd Supply, Snyder Lumber Vill-

TELEPHONE EXHIBIT
Plan to attend the 1956 California State Fair at Sacramento August 29th to September 10th.
Visit the Pacific Telephone Exhibit in the Industrial Building—you will find it interesting and educational.

It's more than a job—it's a career
Did you know that one out of every five telephone men have been with Pacific Telephone over 20 years? One out of four telephone women have been with us over ten years. Many have been with us much longer. For a telephone job is much more than just a job. It's a career. And as telephone men and women gain valuable experience, they move up to jobs with more responsibility. This gives all of us at Pacific Telephone a sense of accomplishment. And it means that your telephone service is always in the hands of well trained, experienced people. It means better service to you. The men and women of Pacific Telephone work to make your telephone more useful every day.

They'll be as close as your telephone

Well, they'll soon be packed up and off to school. And then the slam-bang activity that's been going on all summer will slow down. Sure, it'll be peaceful. But it's a good bet, too, that you'll be happy to hear their voices often. So why not plan now to make regular telephone visits with your boy or girl away at school this coming semester. You can tell them to call home collect, too. You'll be surprised to find how low long distance rates really are, especially after 6 o'clock on weekdays and all day Sundays.

Robbery Charges Filed Against Accused Thief
RENO—Robbery charges were filed in district court against Lawrence Richard Cheshire, accused abductor of Arthur Silva of Sparks.
The 24-year-old Cheshire is accused in an information which was a preliminary hearing in justice
Rocky Ridge road to Folsom dam. If this action is taken it would deprive the Kings Beach area of road funds.
Program Chairman Leon Barker introduced John Corbin, the new superintendent of the Tahoe-Truckee Unified School District as the speaker of the evening. Corbin took as his subject "What Rotary could do to help the schools promote a recreational program." His talk was interesting; pointing out the necessity of the co-operation of everyone in the district.
Our next meeting date falling on Labor Day, no regular luncheon will be held. However the secretary will be at the regular meeting place to credit visiting Rotarians with their attendance.

CARD OF THANKS
We wish to extend our thanks and appreciation for the many calls, offers of assistance, cards of sympathy, kindness and prayers since the tragic accident at Cedar Flats, August 7.
We appreciate the courtesy extended by the Tahoe Ambulance attendants, the California Highway Patrol Department and our special thanks and blessing to the doctor who administered first aid at the time of the accident and the neighbors within the vicinity.
We are thankful and fortunate to have at our call such doctors as Dr. Prescott, Dr. M. Briner, and Dr. L. D. Nelson who were on hand to give their faithful service.

In its weight class... Today's only 4-wheel drive truck...

designed and engineered completely for 4-wheel drive off-the-road use!

Your purchase of a 4-wheel drive truck involves an important investment. That's why you should get all the facts before you buy. When you get the facts, only one 4-wheel drive truck stands out—the rugged 'Jeep' Truck. And it's no wonder why! It's the only 4-wheel drive truck in its weight class originally designed and engineered completely for 4-wheel drive, off-the-road use—the only one time-tested and performance-proved in millions of miles of transport service. Yet, it shifts easily into conventional 2-wheel drive for highway travel at top legal speeds. It's not a conversion unit, not a modified 2-wheel

drive truck! It's tested, proven, certified and unique in its weight class. No other 4-wheel drive truck even touches its performance-proved all-around utility.

Add to all this the 'Jeep' Truck's functional design, long life, low maintenance cost and high re-sale value and you see why it's your one best 4-wheel drive truck buy!

JUDICIAL COURT IS BUSY LAKE SPOT

KINGS BEACH—The Tahoe Judicial District Court is one of the busiest places along the lake these days.

Judge Harry Charrison during the past week, aside from routine traffic violations and sundry other minor matters, had a number of more serious cases before him for disposition.

Two 19-year-old boys, Richard Best Robinson and Peter Lynn Palzis were fined \$100 each for making purchases of intoxicating liquor and George Meade was fined \$200 for the sales. One of the boys had a false identification card and both were large and looked older than their actual ages.

Jack James Corrigan was fined \$25 on a charge of disturbing the peace, and given a 30-day suspended jail sentence.

Norbert LaPorte Moffatt of Crystal Bay and living at Carnelian Bay was charged with car theft on a complaint signed by Robert G. Goode and after arraignment was returned to the Auburn jail to await a preliminary hearing.

Joseph Harold Moore, Crystal Bay, was arraigned on a car theft charge signed by James Mauphin of Brockway. The car he allegedly stole was the one which struck another car near Cedar Flat recently resulting in the death of Mrs. Fred Humiston.

OFFICERS SEEKING ROBBERY SUSPECT

Law enforcement officers in Nevada and California are looking for a former Lake Tahoe resort employee who is said to have participated in a \$600 burglary early last week.

Sought for questioning in the theft is a man identified by Deputy Elden Nelson of Crystal Bay as Nick Stehl, about 22.

Nelson said Stehl is believed to have burglarized a room occupied by a Cal-Neva Lodge bell captain and bellhop. Personal belongings valued at more than \$600 were removed from the room.

Earlier, Stehl was reportedly involved in a short-lived knife battle with a teen-ager at Kings Beach.

Stehl was identified as the burglary suspect only a few hours after Nelson talked to him at Crystal Bay Friday night.

Nelson said the suspect left the Lake Tahoe area with a Kings Beach teen-ager who was absolved of all complicity following interrogation.

The teen-ager said he took Stehl

Spaulding Students To Attend Local School As Agreement Reached

NEVADA CITY The urgency of obtaining transportation for elementary students from the Spaulding area was relieved at a special meeting of the Nevada City Elementary School board and the purchase of a bus was tabled.

The trustees, after not accepting the Tahoe Truckee tuition agreement of \$900 per ADA (average daily attendance) for six students, began discussion on obtaining their own transportation. A delegation from Washington area asked that their 11 students including high school pupils be included in the bus.

The addition of the Washington pupils and others on the route was more than the capacity of the bus the board was considering. The board then adjourned temporarily to attend the Nevada Union High School trustee meeting at the Nevada Union Junior High School in Nevada City.

The problem was placed before that board which accepted the responsibility of transporting the Highway 20 students including Washington and Spaulding areas.

The board returned to the elementary school with state of emergency relieved and tabled the bus purchase until such time as a definite number of students needing transportation could be obtained.

Four Suits Filed As Result Of Car Accident

NEVADA CITY—Four personal injury suits totaling \$115,000 have been filed in the Nevada County Superior Court against Ralph LeBard, et al, driver of a vehicle involved in an accident two miles east of Truckee on U. S. 40 on June 23 of this year.

All plaintiffs claim they were passengers in the automobile driven by LeBard on that date and that LeBard drove on the wrong side of the highway with impaired vision and at a reckless rate of speed causing a collision with another vehicle.

The most recently filed of these are by Dave Gambref for \$30,000, Anthony Scottile for \$25,000 and

to Carson City, Minden, Coleville and Bridgeport. At each stop, Stehl offered to buy gas for the teen-ager's borrowed car to get to the next community on his journey.

Frank Buttacavoli for \$5,000. Earlier this month a suit asking \$75,000 was filed by Stephen John Gillon.

Operation

It's sad, very sad, to hear of the

illness of Jack Braden, operator of the Edgelake Resort up to a couple of years ago. Now Larry Ludlow received a letter telling that Jack who had been under observation with a shoulder complaint for

some time, had undergone a major operation in a Los Angeles hospital and had his left arm, all of his shoulder blade, and part of his collar bone removed. Was under ether for four and one-half hours, but on last reports he was making gains. We sincerely hope for his speedy recovery.

Building

One of the busiest communities is that of the golf course. Both on Brassie and Midiron things are moving. Four new homes, Elston Garrow, Andy Johnson informs me, is building two beauties. Also Severin and Mrs. Lilleberg from San Rafael are building a very nice home of cement blocks with Gordon Bitler doing the work. The Gansert home is now nearing completion.

Visitors

Very happy to have Maurice and Mrs. Lemke (formerly Diana Ab-

bott) on a visit for a few days. Maurice is now out of the service and they are about to settle down in Seattle, Wash., where he had a position waiting for him in the engineering firm. His parents also live there.

Barbeque

What a bevy of beauties attended the barbeque that Dave Ashton set up for the telephone girls, who have been living in the apartments all the summer. Everything a person could wish for was served by Dave and Marguerite. Dave is an excellent chef. Oh, yes, and the John Palmers from the Riviera shop attended.

For Short Stay

Our good friend Berkey of Cal-Neva Lodge tells that his beautiful wife has arrived from Toledo, Ohio. She will stay until the end of the season, will then return home where they have four children. But the good news is that they are contemplating coming back to California in the near future. Mr. Berkman has been one of the favorites at the lodge, having had charge of the machines.

Mother

Red Waddell of Kings Beach is very happy these days having his mother staying with him. She is from San Diego in southern California.

Happy Birthday

Florence Klitzke of Crystal Bay Club, and the golf course celebrated her birthday last Saturday. A most wonderful party was staged at the Mapes Hotel in Reno. Those taking part besides the honoree, were her husband, Harvey, and son, Harvey Jr., brother, Jim Pilcher and Harvey's mother, Mrs. Klitzke. A big cake adorned the table, and a fabulous show was enjoyed.

New Home

Visited my young friend, Larry Free last Sunday and was happy to find the young man sitting outside still all fixed up in a cast, but looking very well. His mother and dad are very thankful for his recovery and also for the many calls.

Fire

A whole lot of credit is due the firemen for their excellent work displayed during the fire at Cal-Neva Sunday. Assistant Chief Howard (Curly) Mason was high in praise for all of the men, and they came from Tahoe City, and the U.S.F. at Truckee and also from the south end of the lake. There was cooperation as far as the personnel was concerned, so without an adequate water supply a marvelous job was done and maybe upwards of a million dollars of property was saved. Mrs. Blanche Porter lost a beautiful home as well as guests cottages, a couple of Cal-Neva cottages were badly scorched and one slightly damaged. This fire has certainly opened the eyes of the residents of their utmost support of the efforts of those that are out for the benefit. A person may not worry about their property, but we also have to look out for human life, so let's all get together, think of our neighbors as well as ourselves and our property. There were too many fire-fighters to mention all but there was some that were outstanding.

CARD OF THANKS

We cannot truly express our deep appreciation for the many kind thoughts and deeds shown us following the death of Mrs. Jessie Humiston.

Fred Humiston and Family

"YEARS-AHEAD"

Once again Richfield translates
Promise into Performance
with its new \$10,000,000 platinum
catalyst refining unit

With the completion of this remarkable equipment, Richfield continues its tradition of providing Western motorists with products that antilopate rather than follow advanced trends in automotive engineering.

No matter what the demands of tomorrow's automobiles are for more powerful fuels, this new facility will be ready—as it is ready now—to more than satisfy all requirements.

And equally important—this efficient new reformer will assure Western motorists ample quantities of top-premium fuels at the lowest possible cost.

This great new platinum reformer is the latest step in Richfield's never-ending program of expansion and development—all designed to assure you that Richfield petroleum products are truly "years-ahead" and will continue to be.

**IN THE BOARD OF SUPERVISORS
OF THE COUNTY OF NEVADA,
STATE OF CALIFORNIA**

Thursday, August 16, 1956.
Present John T. Trauner, Clerk,
William J. Cassatelli, Deputy Dist.
Atty.

Adjourned meeting.
The Board convened at 10:00 o'clock on August 16, 1956 and there were present and answered to their names the following:
Supervisors: Curtis R. Clark, Chairman, John L. Frank, J. C. Coughlan, Guy N. Robinson and Henry G. Loehr.

Supervisors Absent: None.
The minutes of the meeting of August 1, 1956, were read by the Clerk and approved.

Mr. Andregg of Auburn, Calif. a surveyor, appeared before the Board concerning the filing of a map of the Weeks Subdivision at Donner Lake. Discussion was held with Andregg and the Board concerning the new subdivision and upon motion by Supervisor Loehr, seconded by Supervisor Robinson and unanimously carried, it was ordered that the Weeks subdivision map be accepted and filed.

Mr. Hubbard Nolen, County Service Officer, appeared before the Board and entered into a discussion concerning the County payment of insurance on his private car for use as transportation to the Veterans of the County to Veterans Hospitals. Deputy District Attorney, Mr. Cassatelli, again reminded the Board that such a payment of insurance would be illegal. Further discussion was held and upon motion by Supervisor Loehr, seconded by Supervisor Frank and unanimously carried, it was ordered that the County Service Officer's rate of mileage for transportation to Veterans Hospitals be increased from 8c to 10c per mile henceforth.

Motion was made by Supervisor Loehr, seconded by Supervisor Robinson and unanimously carried that any Supervisor desiring to do so can go to the Association Meetings to be held on August 17 at Sonora and on August 22nd in Santa Cruz. The actual and necessary expenses incurred by any of the Supervisors shall be deemed a proper county charge.

Motion was made by Supervisor Loehr, seconded by Supervisor Frank, and unanimously carried that Supervisor Frank be allowed to attend the Mountain County Resources Board to be held on September 7 at Redding, Calif. and that his actual and necessary expenses incurred thereto be deemed a proper county charge.

William Helpinstine, Farm Advisor of Nevada County, appeared before the Board to request that he be allowed to attend a Farm Advisors Meeting on August 28 in Sacramento and also be allowed to attend a Range Tour in Placer County on September 5. Motion was made by Supervisor Coughlan, seconded by Supervisor Robinson and unanimously carried that the Farm Advisor be allowed to attend these meetings and that his expenses incurred thereto become a proper County charge.

Mr. Charles Smith, Road Commissioner, informed the Board that there were additional amounts of money available to the County from the Federal-Aid Secondary Funds and State Highway Matching Funds. In accordance with Mr. Smith's recommendation and upon motion by Supervisor Loehr, seconded by Supervisor Frank the Supervisors adopted a resolution for obtaining and using such funds.

Upon motion by Supervisor Robinson, seconded by Supervisor Frank and unanimously carried the Auditor was instructed to cancel the assessments on certain real property in the County of Nevada now deeded to the State. The property involved is that property that formerly belonged to the Sierra Pacific Power Company, et al.

It appeared to the Board that in certain instances attempts have been made to circumvent the former ruling concerning rights of ways of roads taken into the County system. A motion was made by Supervisor Robinson, seconded by Supervisor Frank and unanimously carried that the Board reaffirm their position and insistence upon a 60 foot right of way for new roads to be dedicated to the County.

scrutinized carefully by the Board and ordered paid:

General Fund—Warrant No. 29-29—\$7,500.00

Salary Fund—Warrants No. 58, 59, 60—\$145.68.

Motion was made by Supervisor Loehr, seconded by Supervisor Robinson that the words "Except in an emergency" be added to Sec. 2.25 of the Salary Ordinance concerning the limitations placed on over time pay. Upon a roll call ballot the following vote was recorded:

Supervisor First District: Aye
Supervisor Second District: Not voting.

Supervisor Third District: Not voting.

Supervisor Fourth District: Aye
Supervisor Fifth District: Aye

The motion received a majority of the votes and was passed. The District Attorney was instructed to amend the Ordinance in accordance with the motion.

Afternoon Session
Convened at 1:35 P. M. All Supervisors present.

Mr. Harry Hyatt of the Soil Conservation Board appeared before the Board. Discussion was held by Mr. Hyatt and the Board concerning the inclusion of that portion of Nevada County not now under the Soil Conservation District. Motion was made by Supervisor Frank that the following resolution be adopted. Upon a roll call vote the following was recorded:

Supervisor First District: Aye
Supervisor Second District: Aye
Supervisor Third District: No
Supervisor Fourth District: No
Supervisor Fifth District: Aye

The Resolution passed was to include lands described as the Sierra Addition in the Soil Conservation District.

Motion was made by Supervisor Loehr, seconded by Supervisor Frank and unanimously carried wherein the Clerk was directed to request Carlos McGuire to file application for water rights in, at

or near Truckee, contingent upon not having to file a fee therefor.

After carefully scrutinizing the Preliminary Budget as compiled by the County Auditor, motion was made by Supervisor Loehr, seconded by Supervisor Frank to increase the tax rate for the General Reserve Fund from 4c as reflected in the Preliminary Budget to a new rate of 17c. Upon a roll call ballot the following vote was recorded:

Supervisor First District: Aye
Supervisor Second District: Aye
Supervisor Third District: Aye
Supervisor Fourth District: Aye
Supervisor Fifth District: Aye

Mr. George Lowery, Welfare Director, appeared before the Board concerning a contract with Sierra County in relation to inclusion of emergency patients into the Nevada County Hospital. Discussion was held but no action was taken.

An application dated August 11, 1956, from Wm. Rutherford for the position of County Superintendent of Schools was read by the Clerk and ordered filed.

There being no further business to come before the Board, a motion by Supervisor Frank, seconded by Supervisor Loehr that the meeting be adjourned until the 20th of August at 10:00 o'clock A. M. was passed.

THE PASHA WILL NOT TOUCH (GROAN) A MORSEL OF FOOD-- EVEN THOUGH THE MOST-TALENTED OF CHEFS HAVE PREPARED DISHES THAT WOULD EXCITE THE MOST-JADED OF APPETITES!

HE HAS BEEN (CHOKE) LOSING WEIGHT STEADILY-- UNTIL SOON THERE WILL NOT BE ENOUGH FLESH ON HIS OLD BONES TO BUDGE THE HAND OF THE SCALE ONE MISERABLE INCH!!

YOUR FAVORITE DELICACY, OH, PASHA OF KASHA-- SOUP MADE FROM GRIFFON EARS, PEACOCK-TAIL FEATHERS, WITH A HINT OF SPICE COMPOUNDED FROM THE SCALES OF A FRESHLY NETTED MERMAID!

THAT SLOP AGAIN!!

IF OUR PASHA CONTINUES TO LOSE WEIGHT, THEY WILL BE ABLE TO BALANCE HIM WITH A FEW MISERABLE RUPEES!

FOR A PASHA OF KASHA TO LOSE WEIGHT IS TO SIGN HIS OWN DEATH WARRANT!

IS THERE NO DISH THAT WILL TICKLE YOUR PALATE SUFFICIENTLY FOR YOU TO EAT, OH, EXALTED ONE?

NONE-- EXCEPT, OF COURSE, THAT RARE AND SAVORY DISH MADE BY THE RED-HAIRED SAILOR WHO PASSED THIS WAY MANY LONG YEARS AGO.

WHAT WAS HIS NAME--???

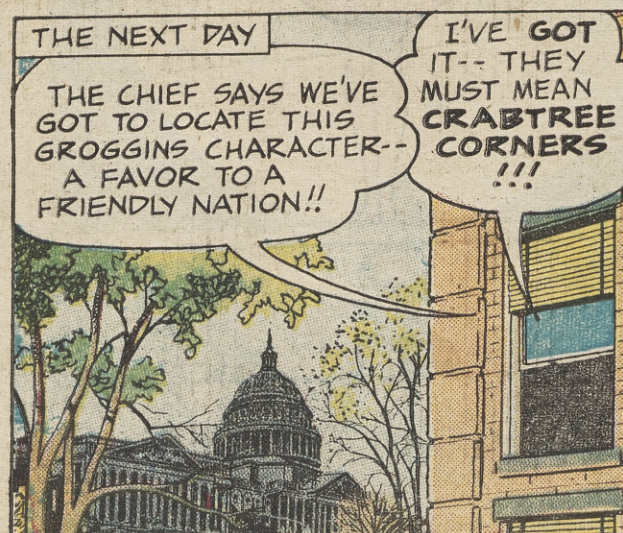

WHERE IS HE NOW???

IT IS OF NO USE-- ONE OF HIS WILD NATURE PROBABLY CAME TO AN EARLY AND DISHONORABLE END!!

HIS NAME-- HE MUST HAVE HAD A NAME!! PERHAPS HE STILL LIVES!

I DOUBT IT. HIS NAME WAS GROGGINS, THE UNBATHED ONE-- AND HE LIVED IN ... AH, YES, I REMEMBER ... THE CORNER OF CRAB-TREES IN AMERICA!

THE NEXT DAY

THE CHIEF SAYS WE'VE GOT TO LOCATE THIS GROGGINS CHARACTER-- A FAVOR TO A FRIENDLY NATION!!

I'VE GOT IT-- THEY MUST MEAN CRABTREE CORNERS!!!

AND... THE NEXT MORNING ...

THE OLD PASHA OF KASHA NEEDS ME, KIDS-- SEEMS HE'S BEEN PININ' AWAY FOR A SPECIAL DISH O' SLOP I WHOMPS UP FOR HIM A COUPLE OF YEARS AGO. I'LL BE WRITIN' TO YOU.
